The State of New Hampshire
TOWN MEETING WARRANT

To the Inhabitants of the Town of Monroe in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Monroe Town Hall in said Monroe on Tuesday, the 8th day of March, next at 10:00 of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see if the voters will authorize the Selectmen and Town Treasurer to borrow a sum or sums not to exceed \$175,000.00 in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town, negotiable notes therefor, said notes to be repaid during the current municipal year, from taxes collected within the current municipal year.

4. To see what action the Town will take in regard to purchasing a new portable generator for the Fire Department.

5. To see how much money the Town will appropriate for the purpose of keeping a physician in Town and for support of hospitals.

6. To see what action the Town will take in regard to installing 10 new street lights.

7. To see how much money the Town will raise and appropriate for Town Road Aid.

8. To see how much money the Town will raise and appropriate to the White Mountains Region Association, for the purpose of publicizing and promoting the natural advantages and resources of the town together with other towns in the region.

9. To see if the Town will raise and appropriate the required amount for State Aid Construction.

10. To see how much money the Town will raise and appropriate for extending the water system on Rt. 135 to Lyman Cook's and place a hydrant on Ralph Hammond's road 300' from Rt. 135.

11. To see if the Town will vote to establish an Aeronautical Fund in accordance with Revised Statutes Annotated, Chapter 423:6, and to raise and appropriate the sum of ONE THOUSAND SEVEN HUNDRED TWENTY and no/100 Dollars (\$1,720.-00) and pay such sum into said Fund, and, further, to authorize the Selectmen, in accordance with Revised Statutes Annotated, Chapter 423:8, to transfer said sum from the Aeronautical Fund to the New Hampshire Aeronautics Commission, said sum to be expended by said New Hampshire Aeronautics Commission on the Whitefield Regional Airport, so-called, in connection with the expansion of said Airport facilities.

12. To see if the Town will authorize the Selectmen to distribute the Inventory Blanks at the time they appraise the property.

13. To see what action the Town will take in regard to Real Estate taken over for non-payment of taxes.

14. Shall the provisions of Chapter 287 of the revised laws relative to playing Beano be adopted in Town?

15. To hear all reports of committees and Officers heretofore chosen and pass any vote relating thereto.

16. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 14th day of February, in the year of our Lord nineteen hundred and sixty-six.

THE MONROE FIRE DEPARTMENT

The Monroe Fire Department has completed another very successful year. We had three calls with no damage.

The chimneys in town were all checked, and those needing cleaning were cleaned.

A new ceiling, with insulation above, was put up in the North Monroe Fire Station. A thin layer of concrete was poured and smoothed on the floor, to facilitate easier cleaning.

In September the Twin-State Firemen's annual field day and chicken barbecue was held at the Monroe Consolidated School. Proceeds from this event went to the Monroe Fire Department's treasury.

Newly installed fire hydrants in the village assure more adequate protection for these residents. Monroe is most fortunate to have such fine facilities in the fire department.

Your efforts in reducing fire hazards in the homes, farms and businesses has enabled us to have two years with no property loss due to fire.

Thank you for your support and co-operation to me and to the department.

R. LINFIELD WARD
Fire Chief

**REPORT OF THE FOREST FIRE WARDEN
AND DISTRICT CHIEF**

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush ;
 - a. Always get a permit to burn from the warden.
 - b. Start your fire late in the day after 5:00 P.M.
 - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carlessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

*The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The supervisory union board decides the local share of the superintendent's salary and other union expenses. The supervisory union's share of the Superintendent's salary for 1966-1967 is \$6,750.00 with \$1,500 allowed for travel. The retirement board assesses the amount of the teachers' retirement.

1965-1966

As your superintendent approaches the mid-point in his first year of tenure, he has observed many problems facing education in this area but the one single greatest dilemma is: "How are we going to continue supporting public schools with costs rising at such a rapid rate?" No one has the answer but one fact we all recognize—we have children and they must be educated to live in an atomic age that was inconceivable twenty years ago.

Our educational responsibilities are only beginning when we consider the rate at which man acquires knowledge. It is estimated that knowledge doubled for the first time at about 1700; again around 1900; the third doubling occurred about 1950; and the fourth in 1960. If it is true that we are now gathering new knowledge at such an astounding pace that we are doubling the world's gross supply of information every ten years, then the educational process may soon find itself under overwhelming stress. New ways of learning must be rapidly developed and installed in the schools if we are to maintain an intellectual balance between the acquisition and absorption of new knowledge.

Another factor which is often overlooked by many of us is the influence that technology has had on our everyday life and especially education. The technology of the 1960's has created a society which is far from stable. Spectacular breakthroughs in science and computer technology have generated an atmosphere of

rapid and accelerating change. Evidence of a changing society may be seen at every turn. Even the relatively new concept of automation is giving way to a newer process called cybernation.

In order for all of us to become aware of the why's and wherefore's of financing education, we must become aware of the magnitude of the extravagant changes which are taking place in society. Our children must compete intellectually and as citizens in a society that changes day to day. To keep pace, our educational system must continue to improve in the future. All of this will require more thinking and planning on the part of the educational profession and more money from the citizenry. There are two ways to get to the top of an oak tree. One is to climb it, the other is to sit on an acorn.

May I take this opportunity to thank the school board, teaching staff, and citizenry of Monroe for their fine support during this first year.

The report of Mrs. Muriel LaMott, R.N., follows.

Respectfully submitted,

NORMAN H. MULLEN
Superintendent of Schools

REPORT OF SCHOOL NURSE

Number of pupils examined	103
School visits 21 Home Visits	23
Number successfully vaccinated	10

Symptoms of Defects	Corrections
Vision 10	16
Skin 2	2
Teeth	57

Communicable diseases reported

Measles 2	
Mumps 59	
Ringworm 2	

Dr. Paul Choate examined 100 pupils, referrals were made when defects were found.

Routine screening vision and hearing tests were completed.

Annual Heaf tbc. tests were done in grades 1, 4, and 8.

Two pupils were vaccinated for small pox at the Well-Child Clinic held 10/22/64.

One pupil was examined at the Hitchcock Eye Clinic.

In the fall of 1964, a representative from the Crest Company met with Mr. Bennett, Dr. Edwin Jamback, and myself to discuss the Educational program that Crest was offering to the elementary schools. After the meeting, it was decided to take advantage of this program. The Crest Company furnished educational materials for grades 1-8. Grade III pupils were given the Dental Instruction Kit designed as a tool for teaching dental Hygiene in the classroom. The Kit included toothbrush, disclosing tablets, Crest toothpaste. In

February, Dr. Jamback visited the school. He talked with the third grade pupils about proper dental care and a demonstration of toothbrushing using the kits was done. I want to thank Dr. Jamback for taking time to go to the school and assist with this special educational program.

In April, Tetanus and Diphtheria Boosters were given pupils in grades 1, 4 and 8. The vaccine was furnished by the Public Health Department. The needles and syringes were donated by the Woodsville Nurses Association and Dr. Choate gave the shots at school. I want to thank Dr. Choate and Mrs. Russell, Public Health Nurse, for their assistance with this clinic.

Four professional meetings were attended during the year.

An extension course was taken during the Fall semester. The course was sponsored by the University of Vermont and was taught at McIndoes, Vermont, where 15 evening classes were held.

I want to thank Dr. Choate, Mr. Nye, the teachers, parents, and pupils for their continued interest in and support of the School Health Program.

I especially want to thank Mr. Bennett for his cooperation through the years. I also want to wish him many years of happy retirement.

Respectfully submitted,

MURIEL LaMOTT, R.N.

Program of the White Mountains Region Association 1965 (28th year)

Printed and distributed over 180,000 folders and booklets promoting the White Mountains Region.

Received 6,987 inquiries in the office which were answered promptly with a kit of folders or by personal letters.

Sent over 22,471 letters and 33,317 individual folders by mail. The balance was distributed by freight or by automobile.

Wrote 25 news releases for use in the local media and four news letters to our members. Wrote one article for N. H. Profiles on "Industrial Conway" and helped prepare other articles for use outside of the region.

Supported the 4-H awards program to encourage the role of agriculture and awarded Mrs. George Clement of Lisbon the "Out-standing Farm Wife of the year."

Have sent a weekly bulletin of lodging inquiries to member inn-keepers who subscribed for them and a monthly real estate bulletin to the member real estate dealers.

Sent out a packet of ski area and lodging folders in response to inquiries on skiing.

Presently we are revising our White Mountains Map which lists nearly 200 points of interest in our region, which was designed to keep the tourists with us a little longer. Information booth people tell us it is very popular with tourists. The new edition will be printed this winter.

Worked in cooperation and attended meetings with the White Mountains Recreation Association, Coos County Rural Areas Development Committee, Coos County Planning Committee, Carroll County Rural Areas Development Committee, N. H. Ski Areas Operators Association, White Mountains Region Industrial Council, the Coos, Carroll and Grafton Counties Community Action Program. The association with these many groups has been mutually helpful in developing new projects and programs in the north country.
