PROCEEDINGS OF TOWN MEETING

MARCH 10, 1987

The polls were declared open at 12 noon by the moderator. The ballots were given to the ballot clerks to be counted. The moderator declared the polls closed at 6:00 P.M., with all absentee ballots being cast. The business meeting which followed the School meeting began at 8:15 P.M.

Each warrant article was discussed individually, the results were as follows:

Article 1. The following officers were declared elected by the non-partisan ballot:

TOWN CLERK	VOTES	BUDGET COMMITTEE (3yrs)	VOTES
Sandra Lang	189	Edward Loranger	163
		Wendell Winchester	161
TOWN TREASURER		Robert Regis	6
Joyce Cate	189	Elwyn Gibson	3
SELECTMAN (3yrs)		BOARD OF ADJUSTMENT (5yrs)	
Leslie Morrison	173	Denis Ward	5
TAX COLLECTOR			
Phillip Hall	187		
ROAD AGENT		Shall the provisions of Chapter	
Paul Gibson	170	287 of the revised laws relative	
TRUSTEE OF TRUST FUNDS (3yrs)		to playing games of beano be	
Jeanne M. Ward	2	adopted in this town?	
		YES 98	NO 56
PLANNING BOARD (3yrs)			
Dennis Bouffard	157		
John Lang	4		
LIBRARY TRUSTEE			
Phyllis Green	164		
SEXTON- N.MONROE			
Keith Merchand	177		
SEXTON-MONROE			
John Mitchell	188		
CLINIC COMMITTEE (5yrs)			
Philip Blanchard	174		
TOWN AUDITORS			
J. Joanne Morris	163		
Richard Rothe	165		
FIRE CHIEF			
Maynard Farr	68		

Article 2. Bernard Bradshaw's motion, to raise these sums of money as stated:

Grafton County Senior Citizens Council	\$468.00
Tri-County Community Action Program	500.00
North Country Council	716.00

was seconded by Donald Hall and passed by a voice vote.

Article 3. Brian St. Germain's motion of, accepting this article as read; to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund for use as setoffs against budgeted appropriation for the following specific purpose and in amounts indicated here with or take any other action hereon:

Appropriation--Town Maintenance	\$ 13,629.88
---------------------------------	--------------

was seconded by Tom Bedell. Motion passed by voice vote.

Article 4. Motion made by Keith Merchand to accept the article as printed in the annual report: to see if the town will vote to have the Henry Nelson Road be designated as a year-round town road, and maintained as such. Motion was seconded by Paul Keenan and passed by voice vote.

Article 5. A motion to allow the Selectmen to install one new street light at the Lynn Sorenson residence--Coppermine Road, was seconded by Herbert Chamberlain and passed on a voice vote.

Article 6. Motion made by Alice Frazer to reject this article. Second to the motion was made by Laura Crane. Moderator asked to have a report from the committee before the motion was acted on. A report was given and some discussion followed. The Moderator clarified that a "yes" vote meant the article would be rejected. A voice vote was taken and a "yes" majority vote carried the motion.

Article 7. Helen Clement's motion: to move that the town raise \$20,000.00 to be placed in the capital reserve fund for the purpose of replacing the bridge on Smutty Hollow Road, was seconded by Debbie Clough. Motion was passed on a voice vote.

Article 8. Motion by Brian St. Germain to accept this article as printed in the annual report, to see if the voters will authorize the Selectmen and Town Treasurer to borrow in anticipation of the collection of taxes for the current municipal year and to issue in notes to be repaid during the municipal year, from taxes collected with in the municipal year. Motion was seconded by Tom Bedell and passed on a voice vote.

Article 9. Bernard Bradshaw's motion to raise the sum of \$392, 558.00 to defray town charges for the ensuing year and make appropriations of the same, was seconded by Bruce Frazer and passed by voice vote.

- Article 10. The motion to empower the Selectmen to take any action necessary in regards to real estate taken over for non-payment of taxes, was made by Brian St. Germain and seconded by Lark Burrill. Motion carried on a voice vote.
- Article 11. This article regarding beano was on the ballot. Results were given in article one of this report.
- Article 12. Paul Keenan made the motion to accept all reports of committees and officers as printed in the annual report. Motion seconded by Sarah Dimick and passed by voice vote.
- Article 13. There was a short discussion on the use of the town hall for Barnet basketball games and also on the swimming lessons.

A motion by Helen Clement to adjourn the meeting was seconded by Paul Keenan and passed by voice vote.

Meeting adjourned at 9:15 p.m.

PROCEEDINGS OF SPECIAL TOWN MEETING

Monroe, N.H. November 12, 1987

The meeting was called to order at 7:00 p.m. The Warrant was read in its entirety by the moderator. The chair declared the meeting open for discussion.

Mr. Keith Merchand made the motion of : To authorize the Selectmen to disperse any amount necessary to install systems for the Town Hall buildings only. Seconded by Carl Lawrence.

Mr. Lothar Riba and Mr. Lark Burrill both said that the motion was not in accordance with the article as printed, and therefore should not be accepted as stated. The Chair ruled that this motion could not be accepted as it did not pertain to the article as it is written.

Helen Clement then made a motion for the Selectmen to be authorized to act as stated in Article #1. Seconded by Richard Sanders.

Lothar Riba requested an amendment to Helen Clements motion to read as such. To change the wording in Article #1 to: delete the individual subsurface disposal systems and substitute aerated lagoon system. Seconded by Ray Adams.

Keith Merchand questioned the chair as to why Mr. Riba could make an amendment to Mrs. Clements motion and yet he was not able to amend his own motion. Many people voiced their opinions on Parliament procedure and the chair said the original motion must be voted on and then we may proceed with discussions, amendments, etc. Mr. Riba said he did not agree with this and others also agreed with him. Mr. Riba requested that the official words of the amendment be part of the minutes of the meeting. The chair declared it stood in error, that the original maker of the motion had to accept an amendment to their motion and second before any vote could be taken. Mr. Riba then asked if Mrs. Clement would accept his amendment to her motion and she answered " no she would not accept." Mr. Raymond Adams made a motion to request for a Australian ballot vote on this amendment. He presented the Moderator with a list of 5 registered voters. A motion was then made by Lucy MacDonald to have all amendments and motions to be voted on. Second by Ray Adams.

The Moderator said the floor was still open for discussion; Mr. Richard Kleinfelder reported on some of the findings of the E.C. Jordan survey done, stating that they suggested aerated lagoons be installed. Mr. Lothar Riba discussed the possibility of grants which he said were available. He also referred to a report done in 1982 which stated the same findings as the E. C. Jordan study.

Mr. Jim Spaulding from the N.H. Water Supply and Pollution Control Commission and Mr. Paul Currier of the same commission were called upon by the chair to answer questions. Much of the discussion and questions pertained to the effect which individual systems would have on the towns water supply. Nitrate was said to be a major problem, the towns water system at this time is about $\frac{1}{2}$ the legal amount allowed by the state. Mr. Currier felt that most of the septic systems put in would flow toward the river and not toward the water supply. Also that there is a possibility of using a pumping well to change the direction of the water flow. It was said the only systems which would not work would be the first house past the school going south and the first house at the top of the Plains Road, and the school itself. Fearon's garage would have to pump up to their house or to land behind the house.

Mr. Bernard Bradshaw, Selectman for the Town of Monroe clarified what was being asked for in the two articles:

#1 To design a system of individual subsurface disposal systems.
And

#2 To use the money already appropriated to do the design of the system.

Mrs. Powers asked the chair if you have to be a registered voter to vote on these articles. The chair answered "yes," and that a Town checklist would be used.

A few people expressed their opinions as to whether we should do more indepth study into ground water sepage, and it was voiced that a study of this type could run into March of next year to get accurate findings.

Helen Clement at this time asked that we now take a written ballot on her motion . Mr. Adams was called to the table to clarify his request for a ballot vote. Mr. Adams stated that his request for the ballot vote was for Article #1. Moderator clarified, that a "yes" vote meant you were in favor of an on-site individual disposal system and "no" vote meant you were not in favor.

Ballots were cast and results were:
Number of ballots cast 183
Nec. for choice 92
Yes 117 No 66

Motion carried.

Article #2:

Motion made by Helen Clement that we so authorize the selectmen to do as stated in Article #2. Seconded by Lark Burrill, passed on a voice vote.

Helen Clement made a motion to adjourn the meeting and this was seconded by Carl Lawrence and voted in favor.

Meeting adjourned at 9:57 p.m.

1987 APPROPRIATIONS IN DETAIL

GENERAL GOVERNMENT:

Town Officers Salary	\$	13,000.00
Town Officers Expenses		7,500.00
Election & Registration Expenses		300.00

REPORT OF THE MONROE FIRE DEPARTMENT

During 1987 the Monroe Fire Department answered 18 calls for assistance as follows:

Chimney Fire	4
Smoke--Library	1
Structure	1

Mutual Aid:

Barnet	7
Littleton	4
E. Ryegate	1

I wish to thank the firemen who volunteer much of their time for service to the Monroe Fire Department.

Maynard Farr

FIRE CHIEF

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

Between July 1986 and June 1987, we experienced fewer fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with your help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden, or Concord Forest Protection Headquarters at (603) 271-2217.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

RESPECTFULLY SUBMITTED,

Robert Ward
CHIEF OF POLICE

LIBRARIAN'S REPORT

The year has passed so quickly and it's time to make my report again. It has been a busy year for both, Heather and myself. The children have enjoyed the story hours and the summer reading program and look forward to each new session. When I asked for an assistant after 11 years going solo, I did not perceive that it would take off so well in this direction. I am just so pleased that the Library is a place that they enjoy visiting. We have delightful hard-board books that even the youngest may borrow when they visit us with their parents and older brothers and sisters. I remember parents having to decide that their child was too young to handle regular books so I looked around and found the first small ones and since then the publishers have defined the need for illustrators and authors, both, new and old.

Let me assure that just as much thought is given for selecting books, for adults, young adults and our older children. The latest, Danielle Steel, Stephen King, Robin Cook, Elizabeth Ogilvie, Elizabeth Cadell and many more new authors are to be found on our shelves, or more likely they are being enjoyed by our patrons. Browsing among the stacks, you will find many of the old authors who were more popular several years ago. They still make enjoyable reading and there seems to be a revival of interest in them. If you have a favorite older author and would like to get reacquainted with Joseph Lincoln, Francis Parkinson Keyes, Pearl Buck, Howard Spring, the older Victoria Holt's, D.E. Stevenson and many more, come on down and browse, we'll be delighted to acquaint you with the library. We are here for you!!!

We would like to thank Forrest Parker for his many years of service as our custodian. He retired last April and we commend him for his devotion to keeping the Library a pleasant place to visit. Helena deserves a big thank you, too.

The Library winter hours are : Tuesday- 10A.M. to Noon
1PM to 5 PM

Wednesday- 6pm to 8pm, Thursday- 2pm to 5pm; Saturday- 9am to Noon.

Summer hours: (April 15 to September 15) the same except for Wednesday 6pm to 9pm; Thursday- 3pm to 5pm. Phone number - 638-4736. Come along and get acquainted or reacquainted whichever the case may be!!!

AMY JOAN BURRILL
LIBRARIAN

MONROE PUBLIC LIBRARY

ASSISTANT LIBRARIAN'S REPORT

Regular story hours have continued in 1987 in the spring and fall, usually held one morning a week for 8-10 weeks. We changed from two small groups of 8-10 children each to one larger group because of scheduling requirements. As a result, story hours have been completed with a minimum of fuss. The response in the fall was wonderful with an average of 14 preschoolers attending each week for 9 weeks. The parents were a great help (even some grandparents!) with the craft projects following each story time. The spring story hours are to be held every Tuesday morning at 10:00 at Monroe Public Library and run through March 29.

The 1987 summer reading program entitled, "There's Magic... In Books!" kept approximately 32 young people busy for 6 weeks in early summer. The library is planning a new, funtastic idea for the 1988 summer reading program--ask for details at the library. Guest entertainers and storytellers sponsored by the library were the McDonough's from Lancaster, Sally the Magician, Collette's Puppets, and Ruth Ann Morehouse from Twin Mountain.

The sale of 1988 historical calendars for the funding of special programs at the library has been very successful with a current balance of \$513.00 having been earned at this writing. The Friends of Monroe Public Library wish to thank anyone who has supported this project. Special thanks go to Susan Price, Alice Frazer, Eileen Ward and John Mitchell; and others who helped sell and distribute calendars.

Monroe Public Library has the slide collection donated by the family of Laura Bort, and also the slides of the 1987 Monroe Celebration Parade. There is to be a showing of these slides during February. Watch for details in the newspapers and for announcements on the local radio stations.

We at the library believe that our collection and services have a lot to offer the citizens of Monroe. To those of you who are regular patrons, thank you for your continued support; and to those of you who haven't visited, come and see just exactly what we do have!

Respectfully submitted,
Heather P. Hall
Assnt. Librarian
and
Program Coordinator

MONROE PUBLIC LIBRARY

NORTH COUNTRY HOME HEALTH AGENCY, INC.

The North Country Home Health Agency, Inc. is a not-for-profit, New Hampshire licensed Medicare and Medicaid certified Home Health Agency. 1987 saw the Agency observe its' seventeenth year of providing care in Northern Grafton and Southern Coos Counties. Services available are:

- Home Visits by Registered Nurses to make health observations and assessments, change dressings, give injections, draw blood, assist with medications, instruct families in care, make referrals and report findings to the physician. Prearranged weekend /holiday visits are available. In 1987 the R.N.'s made a total of 3,084 home visits.
- Homemaker/Home Health Aides provide personal care, errands and light homemaking to help individuals remain at home. There were 4,739 Aide visits in 1987.
- Therapy services include Physical Therapy, Occupational Therapy and Speech Therapy, by Registered or Certified Therapists or Pathologists. There were 403 Therapy visits in 1987.
- Family Assistants provided 3,714.5 hours of direct service in 1987 to 38 families with children at risk for abuse or neglect or already involved in abusive or neglectful situations. The Family Assistants work very closely with Social Workers from the New Hampshire Division for Children and Youth Services to prevent abuse or neglect and reunite families.
- A new program in 1987 is Adult-In-Home Day Care, a State of New Hampshire funded program to provide day care at home to elderly or disabled individuals. 33,950 hours of service were provided February through December, 1987.
- Flu immunization, foot care, blood pressure and blood sugar testing clinics are also offered on a regular basis to North Country communities and groups.

Specific services provided in the Town of Monroe, N.H. during 1987 were:

Nursing Visits	36
Homemaker/Home Health Aide Visits	13
Therapy (Physical, Speech and Occupational) Visits	13

The Agency welcomes visits, comments and suggestions from the Communities we serve. We can be reached at 444-5317.

Sincerely,

John E. Bigelow
President
Board of Directors

NORTH COUNTRY COUNCIL

ANNUAL REPORT

North Country Council was extremely busy in 1987 as it continued to provide a wide range of assistance to North Country communities.

As a regional non-profit, public agency chartered under NH RSA 36:45, the Council is responsible for assisting its member communities in local town planning, regional planning, economic development and numerous other community services. In addition to the direct assistance the Council provides each member community, it is an advocate for all North Country towns in legislative and funding issues with the state and federal governments.

The North Country is experiencing tremendous growth and development pressures. The Council is dedicated to assisting towns with the impacts associated with these pressures. In order to more efficiently serve its membership, the Council has assigned a staff person to respond to each town's request for assistance. In this way, continuity between the town and the Council is ensured and the overall effectiveness of the Council is increased.

In **MONROE**, the Council assisted the Planning Board by reviewing several large subdivision applications. Some assistance was also provided in the development of the Master Plan. Late in the year, the Council was contacted by Monroe Selectmen to assist in coordinating an income survey of Monroe sewer users for the preparation of a possible Community Development Block Grant.

The Council again provided information and guidance to many towns on federal and state grant and loan programs. This past year the Council administered over \$6.7 million in Community Development Block Grant funds in fifteen communities. The funds were used for housing rehabilitation, downtown revitalization, public facility improvements, business revolving loans, and feasibility studies for housing rehabilitation and public facility improvements.

The Council has taken an active role in addressing the affordable housing issue in cooperation with member communities. The Council is presently administering a regional housing rehabilitation program which is making 358 housing units available to eligible North Country residents.

Community planning assistance has emphasized master planning and improvement in local land use controls. New state mandates and commercial and residential growth in several towns have created busy work loads for planning boards. The Council's assistance takes many forms: regional workshops, newsletters, regulation review and update, and assistance on a regular or onetime basis for subdivision and site plan applications.

The Council sponsored four industrial development workshops for local economic officials. The workshops provided information on business recruitment, marketing and working cooperatively with federal and state officials to promote community economic development.

The Council again co-sponsored the Municipal Law Lecture series with the NH Municipal Association. The Law Lecture this year covered local planning board procedures, administration and enforcement of ordinances, growth management and review of recent court cases and state law changes regarding local land use planning.

Overall, the Council's major objective is to work with North Country towns in solving local and regional problems. We rely on and appreciate the involvement of town officials and residents and look forward to assisting your town this coming year.

Jonathan M. Rutstein, Executive Director
Bonnie Ham, President
David Choate, Town Representative
George Cobb, Town Representative

WHITE MOUNTAIN MENTAL HEALTH & DEVELOPMENTAL SERVICES

1987 Director's Report

We are pleased to announce that, during this past year, we received a three-year J.C.A.H. (Joint Commission on Accreditation of Hospitals) accreditation for all programs offered through our agency. In addition to the work involved in "gearing up" for the accreditation, we have also initiated several program changes. They include the following:

Expansion of Respite Services - We offer a period of respite to families of developmentally disabled or mentally ill clients. This is done by assuming the responsibility of care of the client for a brief period of time (usually 24-48 hours). This is done either in the client's home or in the home of the individual who is providing the respite service.

Initiation of Apartment Supervisors - During this past year, we have been involved in the screening and hiring of individuals to assist clients working with clients in their own homes or apartments in an effort to enhance their ability to live independently.

Expanded Work Sites - We have increased the number of work sites within the community in which we have clients placed. The expansion of this program has afforded us the ability to offer more variety of work to our clients.

Transitional Employment - This is a new program which has been initiated through a Vocational Rehabilitation grant. The program involves working individually with clients who are job ready. We locate suitable employment and provide support to help them transition into jobs which they will maintain independently from our agency.

These program efforts have been made in addition to our existing and very active services. Our activity in the more traditional services remains very constant.

Mental Health Services - We operate one full-time and three part-time offices. The full-time office is located in Littleton at 16 Maple Street. The part-time offices are located in Woodsville at Woodsville Clinic, in Lincoln at the Lin-Wood Medical Center, and in Lancaster at Weeks Memorial Hospital.

Last year, we provided the following services to our twenty-two town catchment area:

- . Children's Services - Evaluations of children and/or their families, as well as treatment (therapy).

- . Adult Outpatient Services - Psychiatric, psychological evaluations, treatment (therapy) including individual, conjoint, family and group services. Annually, we do 60% of our treatment with this population. We recorded 5,674 visits for children and adult services.

- . Emergency Services - We operate a 24-hour-a-day phone line to respond to psychiatric emergencies. Last year, we responded to 700 crisis calls through our emergency services.

. Inpatient Services - we provide inpatient services through local general hospitals and a psychiatric inpatient unit (8 beds) in Berlin. We also make referrals to private hospitals and New Hampshire Hospital.

. Case Management - Services which help to keep clients in the community who otherwise might need institutional care. We had over 2,000 contacts in this supportive service program.

. Alcohol Services - Individual and group services to individuals with alcohol or drug problems.

. Partial Hospitalization - A day program for clients in need of more intensive services, including: therapy, vocational training, skills for independent living, and working with the clients to integrate into the community. This past year, we provided 4,742 hours of service to clients in this program.

Developmental Services

. Early Intervention - Home based services for 0-3 years old children who are delayed in their development. Services include: screening assessment, treatment, and referral. Last year, we served over sixty-five families and provided our 1800 hours of direct service

Day Habilitation Program - Provides instruction to our most severely impaired adult population. The program works in conjunction with their residential programming as well as providing training and instruction in self care, pre-vocational skills, paid work, and other therapeutic services such as speech therapy and physical therapy. This program has been primarily used by Former Laconia State School residents; This program has been primarily used by former Laconia State School residents; however, we have or have had community clients who have been in the local school systems.

It is planned that by January 1988 a Day Habilitation Program, to be located in Pike, will be operating to provide services to the Haverhill area. Currently, it is planned that it will serve six individuals from that area.

Supported and Competitive Employment - Provides training, instruction, and work adjustment for vocational and job needs. Paid work opportunities for the individuals can take either in the community or in the Workshop itself. The programs have been successful in meeting their objectives and are popular with the individuals who have participated.

Respectfully Submitted
Dennis C. MacKay
Area Director

GRAFTON COUNTY COMMISSIONERS

1987 COUNTY NEWSLETTER

Budget for the current fiscal year is \$8,947,343. Town taxes to the County average 6.7% or \$2.21 per \$1,000, of the property owner's tax bill. The major portion of county expenses goes to the operation of the Nursing Home (39.69%) and to human services programs for the elderly, disabled, nursing care and children (26.86%).

REGISTRY OF DEEDS had gross income of \$3,630,159 in 1987. The total number of documents processed in 1987 was 29,983. \$3,184,982 was received in transfer tax, of which 96% or \$3,057,584 went to the State of NH and 4% or \$127,398 was retained as county income. Other receipts include recording and copy fees in the amount of \$445,177. Total income to the County was \$572,575 compared to a total of \$3,057,584 paid to the State, although the County is liable for 100% of all operating costs.

HUMAN SERVICES: Old Age & Disabled grant programs remain fairly constant with the elderly program averaging 100 cases at \$4,800 per month and the disabled averaging 225 cases at \$21,000 per month.

Intermediate Nursing Care caseload increased with SB-1 where the County became responsible for all INC cases and eliminated town liability. INC cases now average 255 at \$110,000 per month, a rapidly increasing cost to the counties with savings to the towns.

Children and Youth Services also became a county liability under Senate Bill 1, with counties reimbursing the State 25% for all child service costs. It is impossible to give accurate figures for child expenses, as they are rapidly increasing monthly. Current accounts reflect 130 to 150 cases costing from \$64,000 to \$75,000 per month. (At the beginning of this fiscal year, we had approximately 120 cases at about \$50,000 per month.) The County has 25% funding liability of child placement costs and we are taking an active interest in the needs of children in Grafton County.

Social Service agencies receive \$247,217 or \$4.03 per capita, to provide much needed services for home health, mental health, developmentally disabled, senior citizens transportation and nutrition and many other valuable programs.

CORRECTIONAL FACILITY is increasingly overpopulated, now averaging 58 inmates per day and frequently housing 60+. The current cost of operation is \$28.63 per inmate day. We have contracted with an architect to present design and cost for a 34 bed addition. Schematic designs and price estimates are expected by mid-January to go out for bid by late January with bid results due in by the end of February. Funding issues should go to the delegation and public in March with anticipated ground breaking in April.

GRAFTON COUNTY NURSING HOME for intermediate nursing care is licensed for 136 beds and is about 80% reimbursable. FY 87 cost per patient day was \$68.78 with \$58.87 reimbursed by Medicaid.

GRAFTON COUNTY FARM continues to be self-supporting and provides work for inmates as well as offering access for experimental agricultural projects. This is primarily a dairy farm with an average herd of 170, but also grows produce for the nursing home.

GRAFTON COUNTY COMMISSIONERS meet weekly on Wednesdays. We encourage public attendance and welcome facility tours. We were deeply saddened by the deaths of Commissioner Arthur E. Snell, Dist. #2, and Commissioner Leonard Anderson, Dist. #3, early this year.

GRAFTON COUNTY COMMISSIONERS:

Dorothy Campion-Corcoran, Chairperson
Everett Grass, Clerk
Betty Jo Taffe, Commissioner

REPORT OF THE MONROE CLINIC

Doctors Patricia Glowa and Donald Kollisch and their staff saw and treated approximately 5,750 patients in the Monroe Clinic in 1987. They treated another 200 in the Cottage Hospital emergency room, as well as admitting and following about 260 in-patients. They delivered 56 babies, and everyone enjoyed seeing the "Rogues' Gallery" of newborn pictures grow. We made about 50 house calls, and administered over 100 flu shots. We performed school physicals for 67 Monroe children and 49 Bath children.

Dr. Kollisch continues to teach at the Dartmouth Medical School, and Dr. Glowa to work with the Planned Parenthood program in St. Johnsbury. They have both been involved in trying to combat a recent pull-back of funds (by the State of New Hampshire) for free childhood immunizations, and Dr. Glowa testified in Concord. We have had numerous students come up from Dartmouth to learn about community based primary care, and we participated in a number of research projects sponsored by both Dartmouth and the nationally-recognized "Ambulatory Sentinel Practice Network". Dr. Kollisch is serving as President of the Cottage Hospital Medical Staff for a 2nd term.

We continue to have available an inventory of medical devices, including crutches, wheelchairs, hospital beds, commodes, and walkers; please let us know if you'd like to borrow anything (as many of you have done this year).

We've been called out of the office for emergencies less this year because of the new 24-hour emergency-room coverage at the Cottage Hospital; and some of the overflow when we're fully booked has been picked up by the new Cottage Walk-In Clinic. Because of the increased demand on our services, we are actively recruiting for another physician to join us. The new billing office downstairs- built with last year's appropriation- has partially alleviated our office congestion. We are still, however, bursting at the seams, and we are hoping to build an addition on to the building.

We are open to see patients during the following hours (barring emergencies and meetings).

Monday 9-12 and 1-4
Tuesday 9-12 and 1-4
Wednesday 9-12, 1-4, and 5-8
Thursday 9-12
Friday 9-12 and 1-3

MARRIAGES REGISTERED IN THE TOWN OF MONROE, N.H. FOR THE YEAR ENDING DECEMBER 31, 1987

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Monroe qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 8th day of March, 1988, polls to be open for the election of District Officers at 12:00 o'clock in the morning and to close not earlier than 6:00 o'clock in the afternoon. Action on all remaining articles to commence at 7:30 o'clock in the afternoon.

ARTICLE 1: To choose, by non-partisan ballot, a Moderator for the ensuing year.

ARTICLE 2: To choose, by non-partisan ballot, a School District Clerk for the ensuing year.

ARTICLE 3: To choose, by non-partisan ballot, a Treasurer for the ensuing year.

ARTICLE 4: To choose, by non-partisan ballot, one School Board Member for a term of three years.

ARTICLE 5: To see if the Monroe School District will vote to raise and appropriate the sum of 1,847,930.00 for the purpose of constructing additions and making renovations to the Monroe Consolidated School, situated on real estate owned by the District and, further for the purpose of completing site development, paying architectural and other fees, for the purchase of new equipment and furnishings, and for any other items incidental to or necessary for said construction and renovations; and that said appropriation be raised by the issuance and sale of bonds or notes on the credit of the Monroe School District in accordance with the provisions of RSA Chapter 33, as amended; and that the school board be authorized to invest said monies and to use the interest earned thereon for said project, and to authorize the school board to obtain state and any other aid which may be or become available; and to authorize the Monroe School Board to determine the time and place of payments of principal and interest, the rate of interest, the provision for the sale of notes and/or bonds and all other matters in connection therewith; or to take any other action relative thereto.

TOWN MEETING WARRANT
THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 12:00 NOON TO 6:00 P.M.

To the Inhabitants of the Town of Monroe in the County of Grafton in said state, qualified to vote in Town Affairs:

You are hereby notified to meet at Monroe Town Hall in said Monroe on Tuesday, the eighth day of March, next at 7:00 of the clock in the evening to act upon School District Meeting with Town Meeting beginning immediately after, and to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To see if the Town will vote to raise and appropriate the following sums for Advertising and Regional Associations:

Grafton County Senior Citizens Council	\$ 100.00
Tri County Community Action Program	500.00
North Country Council	787.60

3. To see if the voters will authorize the Selectmen to sell and dispose of the Radar Equipment purchased by the Police Department and return such revenues to the Town Treasury. (By Petition)

4. To see if the Town will vote to appropriate and authorize the withdrawal from the Federal Revenue Sharing Fund for the use as setoffs against budgeted appropriation for the following specific purpose and in amounts indicated herewith or take any other action hereon:

Appropriation---- Town Maintenance	\$ 1,100.00
------------------------------------	-------------

5. To see if the Town of Monroe will vote to raise and appropriate the said sums of money \$30,000.00 to finish the paving of the Mountain View Drive and Pine Knoll road in the year of 1988. (By Petition)

6. To see if the Town will vote to raise \$14,000.00 to be placed in the Capital Reserve Fund for the purpose of replacing the bridge on Smutty Hollow Road.

7. To see if the Town will vote to designate the Board of Selectmen as agents to expend the Capital Reserve Fund for the purpose for which said Fund was established. (Smutty Hollow Bridge Fund) (Majority Vote Required)

8. To see if the Town will vote to name the road, which is the first left off Smutty Hollow Road, "Lang Road". (By Petition)

9. To see if the Town will vote to authorize the Selectmen to install three new street lights:

Paul Gibson Residence----Coppermine Hill Road
Earl Frost Residence-----Coppermine Hill Road
Gordon Ward Residence-----Rte. 135

10. To see if the Town will vote to raise and appropriate the sum of \$80,000.00 for the purpose of expansion of the Clinic.

11. To see if the Town will vote to acquire certain real estate located in Harleyview Acres being a parcel of land bordered on the South by land now or formerly of Perkins, on the North by land now or formerly of Stuart; on the West by land now or formerly of McClintock and being shown on the Monroe Town Tax Maps as Map U1-Lot 25

12. To see if the Town will vote to adopt the provisions of the Municipal Budget Law. (By Petition) (Majority Vote Required) (By Ballot)

13. To see what action the Town will take in regards to real estate taken over for non-payment of taxes.

14. Shall the provisions of Chapter 287 of the Revised Laws relative to playing Beano be adopted in Town? (This Article is on the Ballot.)

15. To see if the Town will vote to adopt the provisions of RSA 31:105, **RSA: 31:105 Indemnification for Damages.** A city, town, county, village district or precinct, school district, supervisory union, or any other municipal corporation or political subdivision may be a vote of the governing body indemnify and save harmless for loss or damage occurring after said vote of any person employed by it and any member or officer of its governing board, administrative staff or agencies including but not limited to selectmen, school board members, city councilors and aldermen, town and city managers and superintendents of schools from personal financial loss and expense including reasonable legal fees and costs, if any,

Article 15 continued.

arising out of any claim, demand, suit or judgment by reason of negligence or other act resulting in accidental injury to a person or accidental damage to or destruction of property if the indemnified person at the time of the accident resulting in the injury, damage or destruction was acting in the scope of his employment or office.

16. To hear all reports of committees and officers heretofore choosen and pass any vote relating thereto.

17. To see if the Town will vote to change the purpose of the existing Sewer Disposal Unit Capital Reserve Fund to one with the purpose of designing and constructing a sewage disposal system, or systems for the Monroe Village Sewer System that complies with Federal and State Law and Regulations. (2/3 Vote Required.)

18. To see if the Town will vote to authorize the withdrawal of up to \$100,000.00 from the Capital Reserve Fund for acquisition of land to accomplish the purpose of the Capital Reserve Fund. (Majority Vote Required)

19. To see if the Town will vote to designate the Board of Selectmen as agents to expend the Capital Reserve Fund for the purpose for which said fund was established. (Monroe Village Sewer Fund) (Majority Vote)

20. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive, and expend funds, without further Town Meeting action, from state, federal, or other governmental units or private sources, which become available during the years in accordance with the procedure as set forth in RSA 31:95-B.

21. To see if the Town will vote to appropriate the sum of \$30,000.00 for an engineering firm to review all prior engineering studies conducted with the regard to the Town sewer system for the purpose of making a recommendation for the solution to the sewage disposal method, and further to authorize the Selectmen to hire such engineering firm and take all further action necessary to carry out this vote. (By Petition)

22. To see if the Town will vote to authorize the Selectmen to apply, negotiate and do all things necessary to obtain any State or Federal assistance, whether loans or grants, for the purpose of constructing improvements to the Town Sewer System to eliminate the discharge of untreated wastewater into the Connecticut River, and to execute and deliver any and all necessary documents. (By Petition)

23. To see if the Town will appropriate the sum of \$25,000.00 to be paid into the Capital Reserve Fund known as the Sewer Contingency Fund for the purpose for which the Fund was established. (By Petition)

24. To see if the voters will authorize the Selectmen and Town Treasurer to borrow in anticipation of the collection of taxes for the current municipal year and to issue in notes to be repaid during the municipal year, from taxes collected within the municipal year.

25. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

26. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this sixteenth day of February, in the year of our Lord Nineteen Hundred and Eighty Eight.

SCHOOL BOARD OF MONROE

Minutes of School District Meeting
Monroe, N.H., March 10, 1987

The polls were declared open at 12:00 o'clock noon and declared closed by Moderator George Tyler at 6:00 o'clock in the afternoon. The invocation was given by Reverend Eric Snogren and the annual meeting was called to order by the Moderator at 7:30 P.M. The flag salute was repeated by everyone in attendance.

Action was taken on the following and the results were as follows:

The following were chosen by non-partisan ballot:

ARTICLE 1: Moderator - Brian E. St. Germain - 154.

ARTICLE 2: School District Clerk - Linda S. Bradshaw write-in - 27.

ARTICLE 3: Treasurer - Robert C. Morey - 170

ARTICLE 4: Auditor - Phyllis Knights - write-in - 24.

ARTICLE 5: One School Board Member - Gerard A. LaFlamme - 139
Truant Officer - N. Robert Ward - write-in - 143

ARTICLE 6: The motion was made to accept the article as printed by Brian St. Germain. It was seconded by Helen Clement. Motion passed on a voice vote.

ARTICLE 7: The motion was made to accept the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto by Helen Clement and seconded by Brian St. Germain. Motion passed on a voice vote.

ARTICLE 8: The motion was made to authorize the School Board to make application for and to accept, on behalf of the district any or all grants or offers for educational purposes which may now or thereafter be forthcoming from the State of New Hampshire and/or United States, by Lark Burrill and seconded by Priscilla Powers. The motion passed on a voice vote.

ARTICLE 9: The motion was made to authorize the application of any unanticipated income to expenses by Brian St. Germain and seconded by Lark Burrill. The motion passed on a voice vote.

ARTICLE 10: The motion was made by Brian St. Germain that the District raise and appropriate the sum of \$600,645.89 for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town. The motion was seconded by Amy Burrill. The motion passed on a voice vote.

The following budget was accepted:

	Deficit Appropriation	<u>10,172.24</u>
	Total Appropriation	\$ 600,645.89

ARTICLE 11: Other business - Mr. Harold Haskins was pleased to be able to continue to report that this school district and the Monroe School is in a very premium position with quality education, support, and test scores that are right up there. He also spoke about the SAU and reported hiring of a new Superintendent of Schools.

Dr. Robert Braman reported on the school's computer program, French classes for grades 1 thru 8, the school paper, the creative dramatics' class, and thanked the community parents, students, and faculty for their support.

Gerard LaFlamme thanked Laurie Boswell for donating her time and expertise setting up a computer program. He also reported that Mr. Norman Mullen would be retiring on July 1, 1987, after 22 years as Superintendent of Schools. Douglas MacDonald has been hired as the new Superintendent of Schools.

Robert Simblest presented Merle Powers with a gold watch as a token of appreciation for 22 years of fine service as the Monroe School custodian. Mr. Powers will retire in 1987.

Helen Clement made the motion that a letter of appreciation be sent to Mr. Norman Mullen for his 22 years of service as Superintendent of Schools. Priscilla Powers seconded the motion. The motion passed on a voice vote.

Motion to adjourn the meeting was made by Lark Burrill and seconded by Brian St. Germain. The meeting was adjourned at 8:09 P.M. by the Moderator.

SUPERINTENDENT'S REPORT

To the School Board and voters of the Monroe School District,
I submit my first annual report.

There are many reasons for a town to maintain quality schools. I believe the most important is to offer our students an education that will prepare them for the future. What children learn in school today must prepare them for what they will face tomorrow. The brunt of that responsibility lies with our teaching staff. It takes dedicated teachers with an eye to the future to accomplish this task. It also takes a community, school board and administration committed to excellence in education.

Ours is a rapidly changing society. If we in public education, are to serve you, the citizens and children of this community, we must try to keep up with a changing world. We must change along with society in order that we may continue to play an important role in the world for which we prepare our children. It is the schools of this nation, in close and vital cooperation with our nation's parents and the community at large, that will assume the job of educating today's children for that world of tomorrow. As your new superintendent I hope that we can work together to prepare our children to face that world armed with the knowledge and the skills they will need.

Our goal is to provide a quality education experience for all our students and I hope that if you have any questions, concerns, problems or suggestions you will not hesitate to contact us.

Respectfully submitted

Douglas B. McDonald

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

I herewith submit my eighteenth annual report to the voters of the Monroe School District.

This year health issues are very much the focus of attention for your schools both locally and nationally. The emphasis on this area of our curriculum is threefold. First we are concerned with child abuse, an issue that has been highlighted locally in recent months. In the fall a well attended public meeting was held and an excellent presentation was made by Dr. Anna Salter from Dartmouth which presented information on the frequency of this problem among school aged children and the wealth of instructional materials available. As a result we were able to obtain an excellent program called "Breaking the Silence", which presents the information younger children need to know in an effective and appropriate manner.

A second major area of concern is AIDS education. On December 1, 1987 a public meeting was held and presented by Ms. Laural McKernan, R.N., Dartmouth Medical Center and Tom Mock Instructor of Psychiatry at the Dartmouth Medical School. The presentation was entitled AIDS in New Hampshire, Issues for Parents. This presentation served as the starting point in our efforts to familiarize our upper grade students (7 through 12) with the few facts that are available about the AIDS virus. We feel that it is critical that children in the fourteen to eighteen year old age group know what the virus is, what it does to people, how it is spread and most of all how to avoid it. Elements of this type of instruction are on going at the present time in most of our schools. The prognosis or a cure for this dreaded disease is not good at the present time but I'm sure you agree that our children should learn about it without delay.

Drug and alcohol education has received strong impetus from the Federal government under the Drug Free Schools and Communities Act of 1986. This program will provide funding of all of our schools in S.A.U. #23 and will cover a period of up to three years. Recipients are required to coordinate their efforts with appropriate State and local drug and alcohol abuse and law enforcement agencies in order to effectively conduct education, intervention and referral for the student population. In anticipation of receiving this funding we will be forming a committee composed of individuals who are parents, teachers, officers of local government, medical professionals, representatives of law enforcement and other groups with interest and expertise in the field of drug education and prevention. Alcohol and drug related problems have been a concern of the schools for a long time. I suspect that our efforts will not result in an immediate and dramatic turn around of events. I am certain however that we will have made a good beginning.

The Monroe Consolidated School was built in 1930. New wings were added in 1966. Over the years the school has served the children of the community in an outstanding manner. It is safe to say that the school has been a model for surrounding communities but looking to the future several issues loom large.

School enrollments in Monroe have been increasing steadily since the middle seventies from a low 65 students in 1976 to 95 students present-

ly. In 1991 we will have at least 103 students. If the projections for increased town growth are even moderately correct we could have as many as 123 children in three years time. If we are to maintain our present levels of instruction and achievement we must take these added numbers into consideration.

State minimum standards have placed demands on our facilities and curriculum to which we must respond. Our shop and home economics programs need to be dramatically upgraded in order for us to gain the approved status that we desire. Guidance and art are curriculum areas that also need attention and space, as are guidance and foreign languages.

Fire regulations will not permit us to allow kindergarten and first grade pupils below ground level. This situation will require us to relocate our school lunch program. Recent inspections by the State Public Health Department have indicated that our school lunch facilities need to be upgraded from a sanitation standpoint. Additionally the State Fire Marshall has recommended that most of the downstairs area be serviced by sprinklers.

For the reasons mentioned above the Monroe School Board has placed a bond article in this year's School District Warrant calling for additions and renovations to the school. Part of the new construction will include a Jr. High sized gym. The gym will make the Monroe Consolidated School a fully self contained educational complex. It will no longer be necessary to go to the Town Hall along a heavily traveled road for physical education. The gym will enable us to hold all extra curricular functions in the school.

I can't say that our problems are so immediate that we could not survive for two or three years but given Monroe's desire to continue its preminence in education and the certain increases in building costs and interest rates the time to act is now.

I hope you will give this year's bonding article every favorable consideration.

My thanks as always to the Monroe School Board, the staff and the voters of Monroe for their continued support.

Respectfully Submitted

Harold J. Haskins

of Schools

SCHOOL ADMINISTRATIVE UNIT #23

REPORT OF SUPERINTENDENT'S AND
ASSISTANT SUPERINTENDENTS' SALARIES

Section 5, Chapter 243, Laws of 1953 of the State of New Hampshire requires that school district annual reports show the total amount paid to the superintendent and assistant superintendents.

One-half of the School Administrative Unit expense is prorated among the several school districts of the Unit on the basis of adjusted valuation. One-half is prorated on the basis of average daily membership in the schools for the previous school year ending June 30. The Superintendent of S.A.U. #23 during the 1987-88 school year will receive a salary of \$55,000.00 prorated among the several school districts. The Assistant Superintendents will receive salaries of \$44,086.00 and \$43,000.00 prorated among the several school districts.

The table below shows the proration of salaries to each school district:

	SUPERINTENDENT'S SALARY	
Bath		\$ 2,464.00
Benton		412.50
Haverhill Cooperative		21,565.50
Lincoln-Woodstock Co-op.		21,681.00
Monroe		4,004.00
Piermont		2,568.50
Warren		<u>2,304.50</u>
		\$55,000.00

	(1) ASSISTANT SUPERINTENDENT'S SALARY	(2) ASSISTANT SUPERINTENDENT'S SALARY
Bath	\$ 1,975.05	\$ 1,926.40
Benton	330.65	322.50
Haverhill Cooperative	17,286.12	16,860.30
Lincoln-Woodstock Co-op.	17,378.70	16,950.60
Monroe	3,209.46	3,130.40
Piermont	2,058.82	2,008.10
Warren	<u>1,847.20</u>	<u>1,801.70</u>
	\$44,086.00	\$43,000.00

REPORT OF SCHOOL NURSE
SCHOOL YEAR 1986-1987

Monroe School physicals were done at the Monroe Clinic with 80 students participating. Routine heights and weights, percentiles, screenings for sugar and protein, and blood pressure were also done.

Vision and hearing screenings on 90 students were accomplished with 3 referrals made for vision follow-up.

There were 15 cases of chicken pox this year.

This was the third successful year for the dental program in which cleaning, topical fluoride application to the teeth, and instructions on good dental hygiene were carried out on 57 children by the hygienist, Sheila Amidon under the State Department of Dental Health.

An immunization audit was done and an update on health records.

Kindergarten registration with review of immunizations was held in May. There were 19 children who enrolled in kindergarten.

This year was a rewarding and productive one. Thank-you to all for their support and participation in the school health program.

Respectfully submitted,

Gayle Wormer, RN
School Nurse

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the School Board
Monroe School District
Woodsville, New Hampshire

We have examined the general purpose financial statements of the Monroe School District as of and for the year ended June 30, 1987, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the Monroe School District at June 30, 1987, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Monroe School District. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material respects in relation to the general purpose financial statements taken as a whole.

MONROE SCHOOL DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 1987

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies employed in the preparation of these financial statements.

A. *Fund Accounting*

The accounts of the School District are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues, and expenditures, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the School District:

GOVERNMENTAL FUNDS

General Fund - The General Fund is the general operating fund of the School District. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring separate accounting because of legal or regulatory provisions or administrative action. Included in this fund type is the Food Service Fund.

B. *Account Groups (Fixed Assets)*

All governmental funds are accounted for on a spending or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources". Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by other municipal entities in the

MONROE SCHOOL DISTRICT

NOTES TO THE FINANCIAL STATEMENTS

JUNE 30, 1987

State, the School District does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

C. *Basis of Accounting*

The accounts of the General and Special Revenue Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, sources of financial resources and assets are recognized when measurable and available to finance operations during the year. Uses of financial resources and liabilities are recognized when obligations are incurred from receipt of goods and services, when assessments are made by the State or, in the case of judgments and claims against the School District when there is a probability that such judgments and claims will result in liabilities, the amounts of which can be reasonably estimated. Exceptions to this general rule include: 1) accumulated unpaid vacation and sick pay, and 2) principal and interest on general long-term debt which is recognized when due.

D. *Budgetary Accounting*

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the School District's operations. State Statutes require balanced budgets and the use of beginning general fund unreserved fund balance to reduce District assessments.

E. *Encumbrances*

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at June 30, 1987 and are carried forward to supplement appropriations of the subsequent year.

The reserve for encumbrances at June 30 consists of the following:

<u>General Fund</u>	
Educational Media	<u>\$158</u>

F. *Cash and Investments*

At year end, the carrying amount of the District's deposits was \$7,193 and the bank balance was \$16,503. All of the bank balance was covered by Federal depository insurance.

State Statutes authorize the District to invest excess funds in the custody of the Treasurer, in obligations of the United States Government,

MONROE SCHOOL DISTRICT

in savings bank deposits of banks incorporated under the laws of the State of New Hampshire, or in certificates of deposit of banks incorporated under the laws of the State of New Hampshire, or in national banks located within this state or the State of Massachusetts. These financial statements report investments in certificates of deposit and savings bank deposits under the caption Cash and Equivalents.

G. *Accumulated Unpaid Vacation and Sick Pay*

Accumulated unpaid vacation and sick pay is not accrued in the governmental funds using the modified accrual basis of accounting. Teachers may accumulate up to 90 days sick leave at a rate of 10 days per year. Vacation is granted in varying amounts based on length of service for employees other than teachers. Vacation pay accumulation does not exceed a normal year's allowance. Accumulated sick leave is indeterminate.

H. *Interfund Transactions*

During the course of normal operations, the School District has numerous transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental fund financial statements reflect such transactions as transfers.

NOTE 2 - DEFINED BENEFIT PENSION PLAN

All Monroe School District full-time employees participate in the New Hampshire Retirement System, a multiple-employer public employee retirement system. The payroll for employees covered by the system for the year ended June 30, 1987 was \$149,811; the District's total payroll was \$186,735.

All District full-time employees are eligible to participate in the system. Employees who retire before age 65 are entitled to a retirement benefit equal to approximately fifty percent of the employee's average final compensation. After attainment of age 65, the payment by the Retirement System is reduced by the amount of the individual's Social Security entitlement payments. The system also provides death and disability benefits, which are established by State Statute.

Covered employees are required by State Statute to contribute 4.6% of their salary to the plan. The School District is required by the same statute to contribute a percentage of the employee's salary, based on an actuarial valuation of the entire State plan performed June 30, 1983. These contributions represented .77% for teachers and 1.21% for all other employees. The contribution requirements for the year ended June 30, 1987 were \$8,302, which consisted of \$1,411 from the School District and \$6,891 from employees.

The "pension benefit obligation" is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future

as a result of employee service to date. The measure, which is the actuarial present value of credited projected benefits, is intended to help users assess the system's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among retirement systems and employers. The State retirement system does not make separate measurements of assets and pension benefit obligations for individual employers. According to plan administrators, the pension benefit obligation at June 30, 1985 for the system as a whole, determined through an actuarial valuation performed as of that date, was \$465,985,000. The system's net assets available for benefits on that date (valued at market) were \$520,224,785, leaving no unfunded pension benefit obligation. The percentage that the Monroe School District has in relation to the entire plan cannot be determined.

NOTE 3 - GENERAL FUND DEFICIT - (\$5,416)

As indicated in Exhibit A-3, the General Fund balance was in a deficit position of \$5,416 as of June 30, 1987. This deficit was a result of prior years' overexpenditures.
